ELK POINT'S OWN OLIVIA ROSE wowed the crowd at the Brett Kissel Homecoming Concert in St. Paul on Saturday night, with a huge number of fans from Elk Point and surrounding areas in the massive crowd that packed the Jaycee Ball Park to hear Kissel, Charlie Major, Olivia Rose, Cassidy Zahar and Route 66 perform. More from the concert on Page 20.

Twenty years of Town's safety recognized

VICKI BROOKER
Review Staff

The Town of Elk Point has now been recognized by Alberta Municipal Affairs and the Safety Codes Council for its long-standing commitment to safety.

Mayor Parrish Tung and council were proud to receive a Municipal Safety Recognition Award recognizing 20 years of accreditation under the Safety Codes Act, at last week's council meeting. The award was established in 2003 to recognize municipalities that have achieved significant milestones in their accreditation histories.

"Accredited municipalities assume an important role under the Safety Codes Act, and we appreciate the excellent services you provide to Albertans," said Minister of Municipal Affairs Danielle Larivee in the letter that accompanied the award. "We thank you for your dedication and look forward to continuing to work with you in promoting the highest possible level of safety in Alberta Communities."

MAYOR PARRISH TUNG and Couns. Lorne Young, Debra McQuinn, Dwayne Yaremkevich and Bernice Capjack proudly display the Town's award.

Town unveils master plan for walking trails

VICKI BROOKER
Review Staff

Elk Point Town Council unveiled a master plan for a multi-year development of Elk Point's walking trails at last week's meeting, after superintendent of Public Works Jay Duffee was asked about his vision for the future of the trails.

Duffee enlisted the assistance of recreation director Jena Colbourne, and came up with a four-step development that would see sidewalks replaced on streets and avenues leading to the existing walking trails, railings installed where necessary, trees planted, benches and flower planters installed.

The first step would be repairs and replacement to a total of 623 feet of sidewalk on 50 Avenue, 50 St. and 51 Street that Duffee says are "in bad need of some TLC" for an estimated cost of \$53,099.50, with the work to be done by Public Works.

What was to have been part of the second phase has already been done, with last week's planting of 11 trees along Railway Ave. Landscaping and installation of new railing to replace the current cable barrier near the EcoCentre are included in that phase, with new sidewalk from 52 Street to 54 Street giving pedestrians sidewalk access all the way from the highway to 54 Street and the walking trail loop. A bench on a cement pad at the corner of Railway Ave. and Highway 41 would complete the phase, with all the work except for the new sidewalk and welding on the railing to be done by Public Works.

RECYCLING FOR A CAUSE - Elk Point Volunteer Fire Department helps fire victims in more ways than heading out with the pumper trucks. A one-evening bottle and can recycling blitz on May 26 saw the crew touring up and down Elk Point streets and filling a flatbed trailer and an enclosed van right to the top, a cargo that added up to a whopping \$2,277.35 to help Fort McMurray fire victims.

Rural Crime Watch working on promotion strategies

VICKI BROOKER
Review Staff

Last Thursday's meeting of the Greater Lakeland Rural Crime Watch in Elk Point once again drew only a handful of the organization's almost 450 members, but those who were present are determined to increase attendance at future meetings and wound up the evening with discussions of strategies to do just that.

While the membership covers a wide area from St. Lina to Heinsburg to Stoney Lake, almost all those who have attended recent meetings are from the Elk Point area, and they want to get members from the other areas involved.

The first step will be to format a list of questions to ask the members

what their thoughts are on priorities for the association and what topics would be of interest to them and encourage them to attend. It was also suggested that this would be a good time to determine who would be interested in serving as a director for one of the areas covered by Greater Lakeland.

The second step will be to divide up the members' list and contact each by phone to get their reactions to the questions, as well as to determine if they still wish to be part of the organization, which serves as extra eyes and ears for the RCMP in rural areas and by doing so, helps to deter property crime.

RCMP Sgt. Barry LaRocque feels it is time that the organization modernized its methods of communication, and contacted mem-

bers electronically to advise them of meetings rather than by the telephone system that has only worked sporadically over recent years. The executive is looking into whether this could be piggybacked onto the St. Paul Notification/Alert System that is now in place.

Summer activities for the association includes participation in Elk Point's Canada Day parade, with the local RCMP willing to provide a vehicle to tow the float. The float would also be available for St. Paul's rodeo parade, if someone from that area would be willing to tow it and round up riders. The association would provide funds for candy to be distributed along the route.

The next GLRCW meeting is slated for Sept. 15 in St. Paul.

Proudlove Mechanical expands services

His business logo is a wrench-carrying rider heading out on a fast horse, and Tim Proudlove has spent several of his 20 years as a heavy duty mechanic covering the country with a mobile service truck. Now he and his family are happy to call Elk Point home and says, "It's a welcoming area to come to start up a business."

Proudlove has been doing heavy duty equipment repairs in Elk Point from a rented shop since moving here three years ago. When the rental building and another next door came up for sale, he decided to expand the business to also include automotive and agricultural services.

He saw the need for a wide variety of automotive repair and maintenance in the

community, and is now able to offer oil changes, lubrication, engine overhauls, computer diagnostics, suspension and front end repairs, transmission and drive train inspection, air conditioning and roadside rescue. He's now seeing "how I can branch out to agriculture," and says one of the big things for farmers will be his mobile air conditioning repairs. Proudlove currently has 3 mechanics on staff and plans to add a fourth and a second hoist to his operation in the future.

Proudlove Mechanical Inc., located in Elk Point's industrial park at the corner of 51 Ave. and 46 St., will celebrate its grand opening this Saturday, June 25 with a burger barbecue, prize draws and special promotions.

Groundwork underway for EPCOR waterline to Ashmont, Lottie Lake

JANICE HUSER
Review Contributor

Although it's been a long process, Ashmont and Lottie Lake residents can now see groundwork taking place where the waterline between Spedden and Ashmont is being built.

The project will bring EPCOR water from Spedden, where the current line ends, all the way to Ashmont. A water supply agreement has been put together, to be agreed upon by the Highway 63/28 water commission and the County of St. Paul.

The county will contribute \$866,000 to the commission, which makes it the same class as all other members, and users will then pay the same service rates as all the others.

There is also consideration in the project for Mallaig to hook on to the line in the future. Work near Spedden has begun with the construction of the line to Ashmont and the project is expected to be complete by September.

Delegation

Karen Getzinger and Les Trach took time to speak to council regarding a recent complaint made by an area resident regarding the smell and number of livestock on the couple's property in St. Brides.

The piece of land is just over 12 acres in size, and during the winter months the pair keeps the majority of their livestock at the homestead. Trach explained that he bought the property to be his primary residence, and wasn't aware of a bylaw prohibiting the number of livestock on the piece, when he decided to buy the land.

The land is located near the St. Brides store, and a few other residences, and the area has mostly been traditionally agricultural, heard council. In the winter, there are approximately 60 to 70 cows and 100 horses kept at the farm site.

Trach noted that from June 1 to about Nov. 1, the

majority of those animals are moved to other properties. The bylaw affecting the residence is one that states that parcels smaller than 20 acres can only have a limited number of livestock.

"It's well fenced and well maintained," said Coun. Frank Sloan, when speaking of the property.

The county has received only one complaint.

Coun. Glen Ockerman noted that there are likely many small parcels of land that have a lot of animals on them during the winter months. He also noted that if the land hadn't been subdivided, there would likely still be the same amount of animals on the same physical size of land during the winter.

A motion to draft wording for an amendment to the Land Use Bylaw that allows more animals on that specific property for the period of November to June each year was carried.

Vandalism

County of St. Paul public works has felt the effects of crime lately, with some of its equipment being stolen, including a truck, and graders being broken into, or gas syphoned.

Cameras have been purchased in hopes of preventing similar incidents.

Coun. Frank Sloan noted his approval for the cameras, saying he has personally experienced similar issues at his farm. "That's the first thing they go for is the fuel," said Sloan.

He noted that public works staff should be attentive and take tools off the site if they will be gone for any extended period of time.

"Sometimes you've got to take that 10 minutes to do that," he said.

Westcove

The county will be applying for a Canada 150 grant to possibly build a new gazebo and mini-golf course at Westcove park. The municipality would put \$100,000 toward the project, with the grant cover the remaining \$100,000, if successful.

Chamber ready to take summer break

VICKI BROOKER
Review Staff

Elk Point Chamber of Commerce is going into the summer break feeling much relieved, with only two or three memberships yet to come in and the papers finally signed for the bank loan they have been working on for many months.

The loan replaces the original line of credit obtained when the chamber built the EcoCentre, and can be renewed in one-year increments if the members are unable to pay off the principal within the five-year term. Interest is to be paid monthly and lump sum payments made on the principal as fundraising permits.

A big bite could be taken out of that principal if the chamber is able to sell the wind turbine, which will be advertised as soon as the necessary information as to potential power creation can be tracked down.

The chamber's first fundraising project is their first-ever golf tournament, coming up on Saturday, July 2. Chamber vice president Dwayne Yaremkevich is in charge of planning that event and says he has "quite a few sponsors" lined up to donate prizes. He is now looking for teams interested in taking part.

While the chamber no longer runs one of the events on Canada Day, they still want to be part of the celebration, and agreed at last week's meeting to be one of the sponsors for the Chili Cook-off.

Good news was also forthcoming at that meeting in regards to repairs needed to the EcoCentre after the basement was flooded. Town of Elk Point CAO Ken Gwozdz predicts it will be ready to serve tourists by the beginning of next week, in time to serve visitors to the community and local residents who are getting ready to head out on holidays.

Tourist information is arriving daily, and the centre will have a stock of the latest campground, vacation and accommodation guides available. Along with the Go East of Edmonton publication, which lists attractions and events in the region, the centre features a wide array of brochures on attractions across Alberta to help with vacation planning.

Town Council

(Continued from Front Page)

A third and esthetically pleasing phase would see more trees planted, these along the walking trail loop, as well as the construction of tree-flanked benches with nearby garbage cans at strategic spots along the walking trail loop, all for a very reasonable cost estimate of \$9,544.

A final phase, possible only if grant funding became available, would be the installation of solar lights on the walking trail loop and Railway Ave.

Duffee concluded his report by saying, "this is just a start of what can be done in these area. My vision of the Elk Point walking trail is to have a trail that both young and old can enjoy either for exercise to just to enjoy the outdoors."

Council approved the master plan, and directed administration to apply 2016 Municipal Sustainability Initiative capital funding of \$97,564 toward the project, and to advise Alberta Culture and Tourism that this amount will go toward the matching portion of the MCFP grant originally obtained for development of the walking trails.

Duffee and Colbourne, with the help of administrative assistant Brooke Yaremchuk, also formulated a Canada 150 Community Infrastructure Program grant application, which was approved later in the meeting. If approved, the grant could help finance the completion and enhancement of the walking trail, according to the plan that Mayor Parrish Tung said "a lot of thought went into," adding thanks to Duffee, Colbourne and Yaremchuk for their efforts.

And a sign, too

Duffee had another proposal for council, this time regarding the huge

Town of Elk Point sign that has been stored in the recreation park shower building since 2008. He suggested the sign replace the current cement sign on the east side of Highway 41 at the south entrance to Elk Point, with the sign backed by logs and sitting atop a rock wall, similar to the north entrance sign.

The sign proposal was met with enthusiasm, Coun. Lorne Young feeling it will "spruce up the area," Coun. Debra McQuinn saying that its installation "has been a long time coming" and Dwayne Yaremkevich noting that the sign has "sat and sat, with no decision made where to put it."

Residential incentives

A policy has been renamed to better reflect its purpose. The Residential New Building Incentives policy offers a tax incentive for new fully serviced residential lots in Phase 2A-1 of the Centennial Subdivision, offering a landowner or contractor who receives an occupancy permit from the Town of Elk Point or a building permit signed off by the safety codes officer within 12 months of issuance of a development permit application a 10 per cent refund of the total lot cost, not including GST. If the occupancy permit or building permit signed off is received within 24 months, there is a five per cent refund.

Sale policies

Sale policies for both residential and industrial land were also approved, which states that the proceeds for such sales will go toward paying down the debt incurred in development of those areas.

Chamber golf tournament

Town council is showing their support of the Elk Point Chamber of Commerce golf tournament by donating four prizes and sponsoring a team.

EcoCentre basement

Council studied two quotes for the restoration of water damage in the EcoCentre basement, and approved a quote from Spectrum Restoration DKI in the amount of \$5,048, which does not include replacement of the water heater and stairs. The water-damaged gyproc has been removed by town crews and will not be replaced immediately. CAO Ken Gwozdz expressed hope that the restoration work could commence immediately so the tourist information centre could be opened soon.

Gas tax

With the chamber of commerce now having their financial matters settled, the Town no longer needs the loan guarantee funds they had for that purpose, and can instead use it to finance the installation of power and poles in Phase

2A-1 of the Centennial Subdivision. Council rescinded a motion made April 11 to use the Federal Gas Tax funding of \$88,741 for that purpose, and agreed that these funds will now go toward the Bulk Water Fill Station project, along with \$52,259 from the General Mill Reserves.

Gas line

Council approved the installation of a natural gas service line coming off the line serving the Elk Point Golf and Country Club's clubhouse and going between the ball diamonds and across Highway 646 to the landfill site.

Equipment replacement

A policy establishing the sources of funding for a reserve fund for replacement of equipment and the procedures to follow to utilize the funds was given council's approval.

EDITORIAL

ConGRADulations!

The long-awaited last week of school is here, and for some of you, it will be the last week of school in Elk Point. We congratulate you on your completion of high school, and wish you all the best as you go out in the world to make us all proud.

Many years ago, your editor told her graduating class that education was the first step on the ladder to success, but at that time, she didn't fully comprehend that their first step was already way back down the ladder, when as small children, they learned their ABCs, then how to put those letters together to form words, and the 1,2,3s, and progressed to addition and subtraction. Without those basics, none of us would have progressed all the way to writing everything from job applications and mystery novels to mastering higher mathematics and quantum physics.

Grads, don't forget all those teachers who got you to the threshold of your new life, and who gave you the encouragement you needed along the way. You did the work, but they provided the tools. Now it's time to go out and show them, with your success, that all those lessons they taught were worth the effort they put in.

RECREATION CORNER

Counting down to Canada Day!

JENA COLBOURNE

Recreation Director

It's hard to believe Canada Day is only two weeks away! There are some really exciting additions to the celebrations this year, including a vendors' section. If you have a small business or products you want to showcase call/text 780-207-5898 or email recreation@elkpoint.ca. We've decided to waive the entry fee, so it's absolutely free to display your business.

There are still some finishing touches to get things all together for the celebrations, including more Chili Cook-Off entries. Due to the sponsorship of Signatures Collision & Frame, EyeTech and the Elk Point Chamber of Commerce, this popular contest is back again this year. It's \$20 to enter a pot with 100% payout to winners. You can enter as a business or individual. Call/Text Jay 780-645-8301 to sign up.

Washing that chili down never tasted better with refreshing bevs in the Beer Gardens, thanks to the ROCK Foundation for presenting the fun and sponsors Hometown Grocers, K&N Liquor Store and Proudlove Mechanical.

You'll be thoroughly entertained throughout the day, with entertainment sponsored by the Elk Point and District Lions Club, Tags Food and Gas, and B&R Eckel's and presenting Olivia Rose and the Roughnecks. Special thanks to Lakeland Realty, Strad, Prairie Tech and Rob Walker for making it all possible. More entertainment will come from local singers Jorja Theriault and Heaven Colbourne, as well as the Ukrainian Dancers with a special performance from the Kehewin Dancers at 1:00 p.m.

Kids' and Teen Zone will be a blast thanks to the Elk Point Community Lions and Canadian Natural, and a special thanks to the Town of Elk Point and the County of St. Paul for sponsoring the fireworks.

The winner of the Great Selfie Challenge will be announced on the Canada Day Stage at 12:30 p.m. on July 1. Get your selfies into recreation@elkpoint.ca. Here's your Review Bonus Selfie - 1 point outside the Review office, 5 points taken with your copy of the Review. Good luck! The contest closes Sunday at 11:59 p.m.

WAY BACK WHEN...

Tourist booth stays put, sod turning and broken-up road

HERE'S THE NEWS THAT MADE THE HEADLINES OF THE LAKELAND REVIEW AND ELK POINT REVIEW FOR THE WEEK OF JUNE 21 IN...

1986

After two hours of intense discussion at a special meeting of the Elk Point Chamber of Commerce, a decision was made to leave the tourist booth exactly where it was, and to raise the pay for tourist booth workers to \$4.50 per hour. Bed races were back on the Canada Day agenda, coming just before the Lioness Club's parade, and the site of the afternoon events, which would include opening ceremonies, games and contests and a tug-of-war, was moved to the area north of the arena.

1991

A busy summer was ahead for the Town of Elk Point, with utility lines to be installed to the Agricultural Society grounds and a water line to the Recreation Park, and replacement of a stretch of downtown sidewalk taking precedence over a playground at the Recreation Park. Buddy Bensmiller left Ray Croteau and Bert Croteau in the dust as he broke Dewberry's track record with a 1:08.87 run at Dewberry's annual chuckwagon meet.

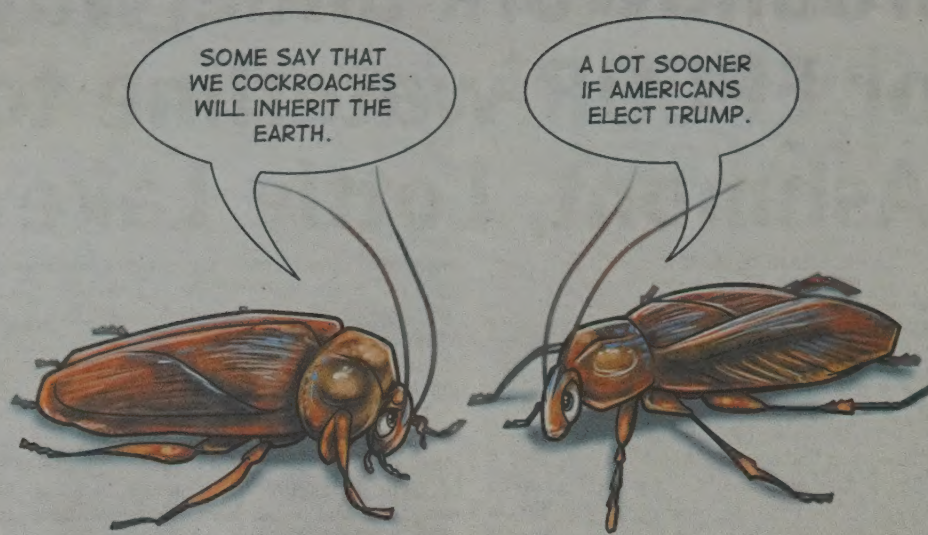

1996

Sod was turned for Elk Point's new Roman Catholic church, with Bishop Raymond Roy officiating at the blessed beginning of the construction that would house a growing congregation. Town council approved ball diamond fencing and re-oiling of the Peter Fidler statue, but said the town could not repair the Canada Day stage in time for the July 1 festivities.

2001

Visitors stepped back in time at Fort George and Buckingham House at the annual Powder and Horn

The Elk Point Review publishes a variety of opinions as a contribution to debate on matters of public concern. Unsigned editorials express the view of this newspaper's editorial board which includes the Publisher and the Editor. Signed pieces express the view of the individual writer.

LaMontagne
cartoonink.com

celebration, with the Edmonton House Brigade on hand and a "North West Company recruiter" seeking out new voyageurs. The 2001 Paint Up Downtown campaign was nearing its end after sprucing up the majority of the buildings on main street.

2006

Public works superintendent Ron Fraess reported "987 square meters of broken-up road" in need of repair when he visited town council, and brought along a chunk of pavement supposedly three inches thick but looking "suspiciously like one inch," and may not have met original specifications. Chief Napewaew Comprehensive School's grads were the pride of that community, with Christine Faithful as their valedictorian.

2011

A development proposal for the expansion of downtown Elk Point brought to town council focused on expanding Elk Point's main street south to Highway 646, and suggested that this would be an ideal location for a new Co-op store.

ELK POINT WATER SPRAY PARK fundraisers' long-awaited Duck Race was rerouted to the North Saskatchewan River to the Elk Point Co-op, due to extremely high water levels and weather that was definitely NOT lovely for ducks.

Summer fun scheduled at the Forts

VICKI BROOKER
Review Staff

Fort George and Buckingham House Provincial Historic Site is currently wrapping up a very busy schedule of school tours, and is gearing up for two months of summer fun for the whole family.

On Wednesday, July 6, the Forts will host the very first satellite event for Sails, Rails and Trails, the July 9, Cold Lake-based WestCan 6 Geocaching Mega Event. From 10 a.m. to 1 p.m. that day, geocaching enthusiasts will take part in a historical treasure hunt at the site, searching out a series of geocaches with GPS coordinates, before moving along to the EcoCentre in Elk Point for a meet and greet event.

The Forts' first major event of the summer is the Bears and Berries Festival on Saturday, July 16, which will once again feature family-style activities, including bear- and berry-themed crafts, story telling, historic site tours and the very popular Teddy Bears' Picnic – all bears welcome to come along with their owners – and of course, the enjoyment of delicious slices of Saskatoon pie! The event goes from 11 a.m. to 4 p.m.

Planning is well under-way for the Bushcraft 1792 event on Aug. 27, which has new attractions this year, including a visit by Rodney Elmsand of Vermilion and his hand-crafted birch bark canoes. Watch for more details as they become available on this day of demonstrations and hands-on learning of skills that could help you survive in the wilderness.

Fun is also on the agenda for the Forts' sister site, Victoria Settlement, located south of Smoky Lake and along the North Saskatchewan. That site will get a very early jump on the festive season with their Frontier Christmas event on Sunday, July 10, which comes complete with traditional Christmas crafts, baking, carols, a visit from Father Christmas and... believe it or not, a snowball fight.

On Sunday, Aug. 21, Victoria Settlement will once again hold their Great Alberta Potato Derby, a zany event that features a spudcar derby with classes for adults and children, baked potatoes for all, and a variety of other activities.

FRIENDS OF THE FORTS member Marjorie Scott checks out this year's special display, featuring "Women of the Fur Trade".

FUR TRADE FASHION - Maria Kennedy wore a wedding dress much like this back in the days of the fur trade. The display includes her sewing box and a silver sugar spoon which would have been a treasured wedding gift in those long ago days.

Supporting Camp Whitney

Elk Point Royal Purple historian Vicki Brooker presents a \$3,000 donation from the lodge to Donna Chamberland of the Camp Whitney Society to help finance the final touches being made on the recently built new dormitories at the well-used and well-loved camp facility.

Jack and Jill Playschool visits the Klatt Ranch

Every June, students at Jack and Jill Playschool have the opportunity to visit instructor, Tammy Klatt, her husband Daryl and daughters Shaylyn and Shyanne at their ranch in the Gideon Lake area. This year, they and their families enjoyed visiting with llamas, runner ducks, bunnies, cattle, horses and sheep, as well as the other birds, fish and animals in the Klatt collection. This year, the day was cool and cloudy, but that didn't detract from all the fun. After lunch under a big tent supplied by Shamrock Valley Enterprises, they wound up their year with graduation ceremonies.

County of St. Paul No. 19 NOTICE TO RATEPAYERS

To complete assessments for 2016, Assessors will be conducting physical inspections of properties throughout the County. When assessor's enter onto your property, their vehicles will be clearly marked with the County of St. Paul's name and they will also be carrying identification tags.

Your cooperation with Assessor's is greatly appreciated, as it is essential in determining equitable property assessments.

Sheila Kitz, C.A.O.
 County of St. Paul No. 19

ELK POINT MINOR HOCKEY ANNUAL GENERAL MEETING

Thursday, June 23, 2016
 7:00 p.m. in Horizon Room
 at the A.G. Ross Arena

COUNTY OF ST. PAUL No. 19

HIGHLIGHTS

June 14, 2016 Council Meeting

2016 Property Taxes – Notices were mailed out on May 16th. If you do not receive your notice, contact Carolyn at 645-3301, ext 215 to ensure that we have your correct mailing address on file. **The County Office will be open during the lunch hour from May 24th to July 4th to accommodate ratepayers during property tax season.**

Online Payments – Receipts will no longer be issued for payments made through online banking. If you require a receipt for your records, contact the County office and it will be mailed to you. If you are making your tax payment through on-line banking, a separate payment is required for each tax roll number. Please ensure you are paying the correct amount from the tax notice as overpayments on accounts will not be refunded automatically.

Fundraising Opportunity for Non Profit Organizations– We are looking for a group to assist with clean up after the rodeo performances. The group will work with another group selected by the Town of St. Paul and will receive a \$1250 honorarium from the St. Paul Ag Society. The group who cleans after the rodeo performances this year will then work the rodeo supper in 2017 and receive **all** the proceeds from the supper (\$2700 to \$3300). If you are interested in this fundraiser or would like more information, contact Phyllis at 780-645-3301, ext. 203.

Planning and Development – Council gave second and third reading to Bylaw No. 2016-12 to amend the Land Use Bylaw as it relates to rezoning 10 acres in the N ½ NW 7-58-8-W4 from Agricultural to Country Residential One (CR1). Council also gave second and third readings to Bylaw No. 2015-15 to close 420 metres of road allowance between SE 6-60-11-W4 and NE 31-59-11-W4.

Spring Cleanup – The pilot project ran from May 16 – 27 and was very successful. County crews travelled through the Hamlets of Ashmont and Mallaig and Floatingstone and Crestview subdivisions picking up the items that were left out by the road. Council will review this program to determine which areas will be targeted next spring.

Funding Support:

- \$6,720 – Riverland Recreational Trail Society
- \$500 each – Regional High School and Mallaig School for Provincial Track & Field

**For more information contact
Sheila Kitz, CAO, County of St. Paul
At 780-645-3301, ext 208**

PROVINCIALS BOUND - Four Elk Point Bantam Puma players, Abby Baker, MacKenzie Evans, Nicole Bristow and Keanna Radcliffe will be going to provincials July 1 to 3 in Leduc on the Bonnyville Rebels, along with assistant coach D'Arcy Evans. They join Colette De Abreu, Shae Hoolahan, Erika Tienhaara and Kaylee Rupp of Bonnyville, Sadie Houle of Goodfish and Andrea Zielinski and Trista Minish of Vermilion on the team, which is coached by Mike De Abreu of Bonnyville.

Horticulture and Craft Show time is coming up soon

JENNIFER VAN DER HOEK
Review Contributor

Horticulture: the science or art of cultivating fruits, vegetables, flowers, or ornamental plants.

Craft: an item created by a skilled craftsman, such as a painting, a quilt, pottery, etc.

The time has come once again to begin preparing your items for the Elk Point Agricultural Society's Annual Horticulture & Craft Show. Whether you or your kids (or grandkids) enjoy writing, photography, gardening, painting, woodworking, sewing, scrapbooking, or any number of other crafts and hobbies, you're sure to find categories to enter your work in.

This year's Photography challenge word is: fire. Some examples are: friends around a campfire, candles on a cake, etc.

Booklets detailing the rules and categories are available at: Elk Point Review (west of Elk Point Pharmacy), Elk Point Library, and Elk Point Further Education (south of FGM High School). A digital copy can also be found online at: www.elkpoint.ca.

Entries will be taken on Saturday, August 13th from 11:30 a.m. to 1:30 p.m. Public viewing is Sunday, August 14th from 10 a.m. to 4 p.m. Prizes are awarded on Sunday at 4 p.m.

An art display and a summer market for home-based businesses will also be set up on Sunday from 10 a.m. to 4 p.m. Everything takes place at the A.G. Ross Arena. Hope to see you there!

HOW'S YOUR GARDEN DOING THIS YEAR? This was last year's winner in the Vegetable Collection category, and you may want to start looking now for a novel container just right to display your best produce.

Class of 2016

This section is dedicated to the young men and women who are moving on to the next chapter in their lives.

Elk Point Rookies host 23-team tournament

ELK POINT ROOKIE NO. 3

ELK POINT ROOKIE NO. 2

ELK POINT ROOKIE NO. 1

One of the best things to happen after the Blue Jays World Series playoff run last fall was the influence that it had on our young ball players; it showed up this spring with the influx of players signing up for minor ball.

The Elk Point Rookies hosted a 23-team Lakeland League final tournament this past Saturday. Imagine 23 teams of young boys and girls all at one spot. How many places have the facilities and volunteers to do that? Our facilities are second to none and we have the most terrific volunteers anywhere for hosting an event such as this. All four ball diamonds going at once, the concession was very busy, every team playing two games and every player receiving a Jr. Blue Jays gift pack after their second game. The gift packs came right from the Toronto Blue Jays major league team, thanks to Rick Austin, and included a Blue Jays hat, sunglasses, a carry bag and gift certificates. Great job guys!

Our **Squirt Puma** girls played a real nail biter against Pierceland with only eight girls in the line up this past Monday night here at home, winning by only a few runs in the end. Good pitching by Ezra Wade, under-aged player Robin Koren tried her hand at back catching and loved every minute of it. Solid hits by Paige Skarsen, Avery 'Whirlwind' Warara and Chloe 'Mouse' Bendixen. Some terrific fielding plays and aggressive base running by Kaylee Radcliffe, Rylee 'the Rocket' Warara and Jadey 'the Lady' Capjack.

The **Peewee boys** had two tough games this week. On Tuesday they beat Goodfish 5-4. Andon 'Ace' Ballas pitched well, holding Goodfish to only four runs over two innings. Charlie 'Angel' Rogal came in and didn't allow any runs over his two innings pitched. Jaden 'Jet Stream' Van Maaron had a hit and drove in a run. Chase 'Big Pappi' Pankiw had his best hit of the year driving a ball into left field. 'Danny Boy' Cardinal had a good night defensively, making some nice plays at third base. On Thursday they played St Paul who has one of the hardest throwing pitchers in the league. It was a cool and rainy evening but the boys did just enough to secure a 6-5 win. Tulzen Wells had a nice hit up the middle and came around to score. Jace 'the Stafford Streak' pitched two strong innings and had a really nice pick off at first. And as has been all season long, 'King Cole' Bendixen came into close out the game. This time he made it a little more interesting, with the game 6-5; he walked the first three batters to load the bases and then struck out the final three batters to

secure the win. The season has come and gone so quickly this year, the boys play their last league game on Tuesday in Cold Lake and then start the playoffs with a home game on Thursday with the team yet to be determined. If the boys manage to win in Cold Lake on Tuesday they will finish in first place in the league and have home field advantage for the playoffs.

BASSETT
Review Sports

A great week for the **Peewee girls** as well when they played two road games. In Vermilion on Monday night winning 22 to 14, the girls were very aggressive stealing bases. The fielding was superb in this game too, Tennille Ballas saving runs by catching a huge pop fly. Brooklyn Gochco doing the same with a foul ball to end an inning. Katelyn Boratynec was diving for the ball all night long getting chewed up but was a super star consistently getting the outs on first base no matter how wild the throw was, second baseman Chyanne Fisher doing a great job with her glove too, stopping the runners from advancing to second. On Wednesday the girls beat Lloydminster 17 to 16. Zoe Cribbins hammered the ball and collected two RBI's, Mykaela Verenka with success at the plate as she drove in runs as well, Kylee Radcliffe continues to be a consistent batter, Sadie Baker beating a throw to first on a third strike and made it all the way around the bases to home. Erin Duffee and 'Raging Paige' Henderson sharing the catching duties kept the other team honest on base stealing and especially at home. Closer pitcher 'Gorgeous Georgia' Bendixen never allowed a run in the last open inning to secure the win.

The **Mosquitoes Number 2** team traveled all the way to Pierceland last Tuesday, arriving just as it started to rain, but not all was lost, the kids rain around the diamond and had fun getting soaking wet.

And a big happy birthday going out today to Mosquito player Vanden 'Super Mario' Moroziuk

Best wishes to Jessie Kim who fractured her ankle here on Sunday afternoon sliding into home and will miss the end of the season tournament this weekend when the **Bantam Pumas** host the Lakeland finals on this coming Sunday. See more Pumas news on Page 8

And now for the K. A. Campbell quote of the week. "You find that you have peace of mind and can enjoy yourself, get more sleep, rest when you know that it was a one hundred percent effort that you gave- win or lose." Here's a hint, also know as Mr. Hockey. Last week's answer to: "What are we out at the park for, except to win?" - Leo Durocher

WIND TURBINES ON YOUR DOORSTEP?

The beautiful view of the leaves changing colours in the fall, cattle roaming the pastures, quiet neighbourhoods or scenic drives. Now imagine all of that with over 90 wind turbines propped up in the middle of all of that.

Northland Power Inc. has just proposed that reality for all of us that enjoy living, farming, visiting, hunting, fishing or just enjoying a beautiful quiet day 13 miles east of St. Paul in the community of Shamrock Valley.

As concerned land owners, we feel that very little consultation has been done to discuss this multi-billion dollar project in our area. The 21 page contracts are being delivered to landowners encouraging us to sign and are being reminded that we don't want to be left out of some revenue, since over 90% of our neighbours are in favour. (So we are told). Our question is this, if that many are interested then why out of the first 13 families that we have called, none of them are in favour of this project? Many of the people that live in and around the project area were not even aware of this proposal. Even our MD of Bonnyville and County of St. Paul councillors did not know anything about this project.

We are told these towers will be over 300 feet tall and put throughout an area of approximately 75 quarters. How come no one has talked about all the migratory birds that will be killed by the propellers or about the major decrease in property values? Also, how communities have been torn apart over these decisions. Has anyone been told that we need to give one day notice when wanting to hunt on our own land. Why is very little being said about the noise that these make 24 hours a day? How about plenty of documented health concerns. Has anyone mentioned we have 2 local campsites on Kehewin Lake that would most likely be affected by the noise?

We strongly encourage anyone that is considering signing this contract to please see a lawyer over this extremely complicated contract. Also, contact your municipality about the possibility of your taxes increasing. Just start the conversation with your neighbours and you might be surprised by what everyone has to say.

Please take a moment and remember these are 40 year contracts and just because you want it, doesn't mean the next generation will.

Elk Point Elks Lodge supports Haying in the '30s

LAWRENCE PIDLUZNY
Secretary

At our last regular meeting of the Elk Point Elks Lodge #460, the membership voted unanimously to donate \$500.00 to the Haying in the 30s Cancer Fund. Exalted Ruler Bro. Don Pilisko presents the cheque to Haying in the 30s member, Bro. Albert Boratynec. Bro. Albert himself had benefited from the fund during his encounter with cancer. Please mark your calendars for this year's 16th Annual Haying in the 30s Cancer Support Society festival, July 30 and 31 in Mallaig, Alberta. Rain or shine, no admission, donations only, it's a 100 per cent fundraiser for the victims of cancer! Visit the website at <http://www.hayinginthe30s.com/> for more information or a chance to donate online.

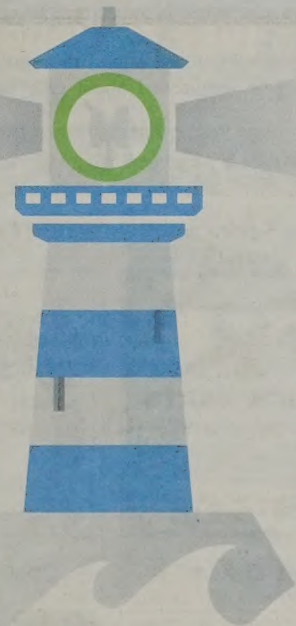

wished to raise a family, and when Palamarek heard of an opening at Windsor Salt, they decided Elk Point would be their new home town.

The couple raised three children here, and Palamarek, now widowed, said their years in Elk Point have been "the best time of my life."

The lodge acknowledged that Elk Point and their lodge were often the beneficiary of the plant's generosity during Palamarek's management.

FIFTY-YEAR ELKS MEMBER Ken Palamarek accepts his pin from Stephen Rolheiser, the lodge's newest member.

Kissel brings talent back to his home town

JANICE HUSER
Review Contributor

The sky was painted a perfect shade of blue as the first few performers took the stage on Saturday night at the Brett Kissel Hometown Homecoming concert. The mood was joyful at the Jaycee ballpark, with children running around giggling, people two-stepping on the grassy dance floor directly in front of the stage, and the sun setting perfectly, offering a golden glow as Kissel took to the stage shortly after 9 p.m., receiving a huge applause from his hometown crowd.

Kissel might be a Canadian country music star living the dream in Nashville, but for one week, he returned to his old stomping grounds in St. Paul and was given a hometown hero's welcome as he toured local schools, saw his name up on the town's welcome sign, put on a mini-concert and appreciation night, and capped it off with a talent-studded blowout performance on Saturday night.

Saturday was extra special for Kissel, as he also accepted a plaque on stage for his single "Started with a Song," which has gone gold.

"I don't think I've ever been as humbled as I am now to come back and to feel this type of love and support from the community," said Kissel on Thursday evening, during a break from an appreciation night for the event sponsors. The All Saints Ukrainian Cultural Centre was transformed into glitz and glam with Kissel's name in bright lights headlining the stage, and was filled with hundreds of appreciative listeners, in the lead-up to his Saturday night performance.

St. Paul Mayor Glenn Andersen and the County of St. Paul's Kyle Attanasio read a proclamation declaring Saturday, June 18 as Brett Kissel Day, leaving Kissel further blown away by the response to his hometown homecoming.

"This is so special," he said, thanking the pair for the honour.

With his trademark affability and knack to create intimacy even within a crowd, Kissel disarmed and charmed audiences with his banter and music that ranged from country classics to a heartfelt ballad for his baby daughter to his new singles, with Kissel bringing up his old friends and fellow local performers, bass player Tony Noel of Route 66 and master fiddler Calvin Vollrath, on Thursday to perform alongside him.

Emcee Jackie Rae of CFCW led Kissel through a fireside chat in which he reminisced about growing

HOME AGAIN - Brett Kissel thrilled his hometown crowd and many visitors from outside the area.

up in St. Paul, dating local girls, chasing cattle and of course, playing music as an aspiring country musician.

While his concert stages now stretch from Nashville to Glasgow, Kissel recalled his first stages were places like the Co-op's rodeo talent show and the rodeo beer-fest. At the age of 11 - when his voice was more Dolly Parton than anything else, he joked - he put out his first CD with the help of Vollrath.

"We ordered 100 copies for family and friends," he said, adding that 100 turned into 500 copies, which turned into a 1,000. Record certificates range from sil-

ver to gold to platinum, with Kissel joking, "No word of a lie, my first record - we went rust."

Keepin' it Country, the first of Kissel's six CDs, would go on to sell 7,500 copies. His success exploded further after he was signed to Warner Music Canada in 2013, with Kissel collecting awards from the Junos, CCMA's, and the ACMA's and gaining more and more commercial success with his last two records, 2013's *Started with a Song* and 2015's *Pick Me Up*, all leading up to Kissel being picked to open for one of his country music heroes, Garth Brooks.

Throughout the whirlwind ride, Kissel said he had been waiting for a chance to come back to St. Paul, with his last home concerts taking place in 2011 when he did a series of pre-Christmas shows in the area.

"I've been ready to do something like this for five years," he said.

He and event organizer Keynon Ternovoy got together in January to have dinner and talk, at which time, the pair each expressed an interest in doing a show in their hometown, after enjoying success in putting on a sold-out show in Camrose.

"I said, 'What's your idea?'" recalled Kissel. "He said, 'I want you to do an outdoor show at the Jaycee ball park.' And I said, 'Oh my God, that was my idea. I want to do an outdoor concert at Jaycee ball park.' So he said, 'Well, let's do it.'"

Kissel saw an opportunity to bring more exposure to the show, and being close to people and event producers with Canadian Music Television (CMT) from Toronto, he pitched the idea of CMT coming to St. Paul to broadcast the event.

"I said, 'You guys, this is a show you're going to want to catch. And here's the reasons why.' And they said yes."

CMT estimated 300,000 people might be listening to the radio broadcast, with an additional one million tuning in for the two-hour concert special, said Kissel, adding, "What a great opportunity to put St. Paul on the map, and it's all for the good of country music and for that I'm very proud."

Originally, the pair was aiming to sell 1,000 tickets for Kissel's hometown concert, but the demand for tickets blew away those expectations, with just over 3,000 people attending Saturday night's event.

Kissel said that St. Paul's mayor had noted, "the town's almost going to double in size, and that's really special we're going to have so many people coming to this special event."

FGM juniors place third overall at SPAA

VICKI BROOKER
Review Staff

F. G. Miller Junior High students were very competitive at the St. Paul Athletic Association track and field championships on June 7, with the boys finishing second for the second consecutive year, the girls finishing third overall, and the school collecting the third most total points Racette claimed both boys' and girls' titles, with Glen Avon second in the girls' competition.

FGM students who finished in the top three were:

Girls

Girls Under 16 200 M Dash A - 3. Tammy Roberts; **Girls Under 16 1500 M Run A** - 3. Sam Urquhart; **Girls Under 16 Shot Put A** - 1. Abby Baker; **Girls Under 16 Javelin Throw A** - 2. Abby Baker.

Girls Under 14 Javelin Throw - 3. Ashley Hunter.

Girls Under 13 80 M Hurdles C - 2. Mykaela Verenka; **Girls Under 13 4X100 M Relay** - 2. F. G. Miller.

Boys

Boys Under 16 200 M Dash A - 3. Parker Allen; **Boys Under 16 800 M Dash** - 2. Nick Anderson; **Boys Under 16 1500 M Run** - 2. Nick Anderson; **Boys Under 16 80 M Hurdles** - 3. Parker Allen; **Boys under 16 Discus Throw** - 1. Parker Allen.

Boys Under 14 80 M Hurdles - 3. Garret Kinashuk; **Boys Under 14 4X100 M Relay** - 2. F. G. Miller; **Boys Under 14 Long Jump** - 2. Garret Kinashuk; **Boys Under 14 Triple Jump** - 3. Tyler Roth.

Boys Under 13 100 M Dash - 2. Devon Nazarchuk; **Boys Under 13 200 M Dash** - 2. Devon Nazarchuk; **Boys Under 13 400 M Dash** - 2. Devon Nazarchuk; **Boys Under 13 4X100 M Relay** - 1. F. G. Miller; **Boys Under 13 High Jump** - 3. Jace Stafford; **Boys Under 13 Shot Put** - 2. Cody Fairbairn; **Boys Under 13 Discus Throw** - 1. Cody Fairbairn; **Boys Under 13 Javelin Throw** - 3. Vilna's Cassidy Zahar was delighted to be part of the star-studded concert lineup.

Homecoming

(Continued from Page 20)

While crowd expectations were high to see Kissel, excitement was also at a fever pitch to see special guests, including country star Charlie Major. Special guests included Vollrath, Route 66, Cassidy Zahar and Olivia Rose.

"It was absolutely amazing," said Zahar, after the event wrapped up. She recalled looking out into the crowd and recognizing a lot of familiar faces, and feeling nothing but "joy and gratitude."

Reflecting on the week and her performance, Zahar says she will take away an important lesson, and treasure some new memories.

"I think I'm really going to take away that I can do whatever I put my mind

to. I was very nervous on Friday night. I played and I practiced until my hands were swollen," but, those feeling disappeared once she got on stage.

Just as his own success surpassed expectations, Saturday night's homecoming exceeded Kissel's expectations as well.

"When it says the sky is the limit, I never really thought we'd get the sky," he said, adding he really appreciated the support from his home crowd and for the event.

"It's very difficult to put into words because I know how every small town, every small business, every committee, everybody has rallied behind this show, to support this show and I couldn't be more proud. I wouldn't have it any other way."

Charlie Major and Brett Kissel share the stage.

Busy summer for County of St. Paul & Elk Point FCSS

JANICE HUSER
Review Contributor

The upcoming summer months were already looking to be busy for County of St. Paul & Elk Point FCSS staff, but with the addition of even more items on the calendar, the summer is sure to be packed with fun with local families.

"The whole intent of FCSS is to get families out. Every event has a family focus," says Janice Fodchuk, County of St. Paul & Elk Point FCSS director. The events, which range from street hockey, to an Amazing Race challenge, and outdoor movie nights, encourage families and communities to spend time together.

The FCSS department has hired seven extra summer staff to make the events and programs possible. Fodchuk says she told one summer student to "think outside the box," and so a number of ideas were born.

On July 9, a four on four road hockey tournament will be held at the St. Paul Rec. Centre. A local business has already stepped up to help supply needed supplies for the setup of the event, and like most other upcoming events, the response from the community has been great.

"The response so far to everything is just amazing," says Fodchuk.

The road hockey tournament will begin at 10:30 a.m., and categories will be decided based on the number of teams registered.

Later in the month,

on July 24, the Amazing Race challenge will take place in St. Paul from 1 to 4 p.m. For this event, at least on adult in the family has to have a valid driver's license in order to successfully complete a list of challenges.

Fodchuk didn't want to ruin any surprises and wasn't specific on the type of challenges that might be involved. But, she was excited to show off the special ribbons that have been made in honour of the event.

A similar event will be held in Elk Point on Aug. 11 from 6 to 8 p.m.

Drop-in Science Afternoons will also be held in late June and throughout July in various communities in the County of St. Paul. These afternoons are geared more toward youth.

St. Vincent will host an afternoon on June 28, Ferguson Flats on July 5, Mallaig on July 25, and Elk Point on July 26. More dates may be announced.

And of course the Drive-In Movie Nights, which received a great response last year, will be happening in a long list of communities. St. Paul will kick off the movie nights on June 27 with a showing of a new release family-oriented movie. Elk Point will follow on July 2; St. Vincent on July 6; Cork Hall on July 8; Boscombe on July 22; Lac Bellevue on July 23 and Aug. 13; Stoney Lake on Aug. 10; Heinsburg on Aug. 12; Ferguson Flats on Aug. 19; and Mallaig on Aug. 26.

The movie nights are not only family ori-

ented, but have also been shown to "help neighbours reconnect," says Fodchuk. She says that communities have been approaching her, asking for the events.

Another popular program offered recently is the iPad Course offered to seniors. Fodchuk says these classes will continue on through the summer, and so far the department has had great success with the new program.

A babysitting course and Home Alone Course will also be help this summer in Elk Point. The Home Alone Course will take place on July 5, and the babysitting course is booked for June 29.

Mallaig may also host similar courses.

Many of the FCSS programs are being made possible thanks to a partnership that began last year with the Xtreme bus. This summer, FCSS will offer free busing to Haying in the 30's in Mallaig over the August long weekend.

The bus service will run on July 30, stopping first in Elk Point at the ECO Centre, and then heading to the County of St. Paul office in St. Paul to pick up more residents. The service is open to anyone over the age of 55.

Busing will also be available on July 19 for the annual community garden tour.

For more information on the various programs being offered, contact the County of St. Paul & Elk Point FCSS department. To keep updated on what's going on this summer enter the number (587) 316-2822 into your cell phone and text the message @fcssvents and you will receive updates on registration and events.

To register for the road hockey tournament or Amazing Race challenge, email courtneyhebert99@gmail.com.

Employment Opportunity for: DIRECTOR OF PUBLIC WORKS

The County of St. Paul No. 19 is situated in beautiful Northeast Alberta, in the heart of the Lakeland, approximately 200 kilometres from Edmonton. This vibrant rural community offers excellent recreational, cultural and educational opportunities complimented by a peaceful and quiet lifestyle. The population is 6168 and continues to grow. The County contains over 1200 farms, several lake lot subdivisions, 3 hamlets with water and sewer services as well as oil and gas companies. The County consists of approximately 2000 km of roads which are maintained by a fleet of 14 graders. The County also owns and operates their own gravel crushing unit, road construction equipment and gravel trucks.

The County of St. Paul No. 19 invites applications for the position of **Director of Public Works**. This position reports directly to the Chief Administrative Officer and is responsible for carrying out administrative duties within the Public Works Department and providing recommendation with respect to employee training, hiring, performance evaluation, salary adjustments, disciplinary action, and termination.

The Director will manage the day-to-day operations of the Public Works Department including but not limited to supervision of approximately 45 full time and 35 seasonal staff. The Director is responsible for overseeing and coordinating tasks within the Public Works Building as well as the provision of utility services, accessing gravel pits, and the maintenance and construction of municipal roads. This position will also be a member of the Asset Management Team and be responsible for the assets in the Public Works Department area. The Director of Public Works provides monthly reports to Council on the Public Works Department's activities.

The County offers a competitive salary and comprehensive benefit package. Candidates must possess excellent organizational, administrative, and public relations skills. As well, candidates should possess project management experience, strong oral and written communication abilities, advanced computer skills, and a deep knowledge of road construction and maintenance. An awareness of the workings of municipal government will be considered an asset.

Please state relevant work experience, and relevant education. A minimum of two work-related references must be included with the application. Resumes must be received no later than 4:30 p.m. on July 29, 2016 and can be faxed or emailed to:

Attn: Sheila Kitz CAO
County of St. Paul
5015-49 AVE.
St. Paul, AB T0A 3A4
Fax: 780-645-3104
Email skitz@county.stpaul.ab.ca

Any questions can be directed to Sheila Kitz or Tim Mahdiuk at 780-645-3301.

St. Paul Education Regional Division #1

Accounts Payable/Finance Clerk

Seeking a full-time accounts payable & finance clerk for the school board central office. This position is located in St. Paul and is owing to an upcoming retirement. Duties are a mix of accounts payable, purchase card management and budget systems entry and oversight.

Preferred candidates will have an ability to meet deadlines, previous accounts payable experience, intermediate Excel and good accounting skills. Must be able to work with minimum supervision with an expectation of thoroughness and accuracy.

Competitive pay and benefit package.

Applicants are invited to submit their resumé by June 23, 2016 to:

Jean Champagne
St. Paul Education Regional Division No. 1
4313-48 Avenue
St. Paul, AB T0A 3A3
tel. 780-645-3323 Email: st_paul@spcrd.ca

*Only those candidates selected for interview will be contacted.
